# Enterprise App Proprise Distribution

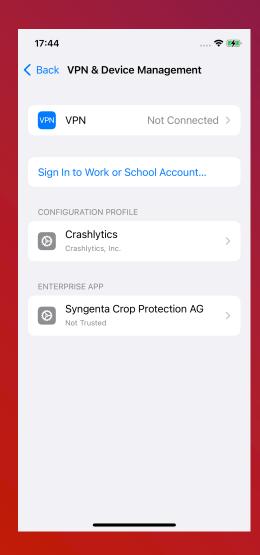

## Untrusted Enterprise Developer

"iPhone Distribution: Syngenta Crop
Protection AG" has not been trusted on
this iPhone. Until this developer has
been trusted, their enterprise apps will
not be available for use.

Cancel

Since this is an internal enterprise app, you will need to trust the distribution certificate of the company. This is required just once.

Tap cancel and go to Settings > General > Profiles & Device Management

# Profile

Tap on "Syngenta Crop Protection AG"

## Trust

Tap on "Trust Syngenta Crop Protection AG" and start the application.
